Shorthorn Show and Sale

4-H FAIRGROUNDS — MARION, INDIANA

SATURDAY, MARCH 9, 1963

SHOW - 9 a.m. — SALE - 12:30 p.m.

GENERAL INFORMATION

TIME — Show, 9 a.m. Sale will start at 12:30 p.m. on Saturday, March 9, 1963.

LOCATION — This sale will be held in the heated sale pavilion at the Grant County 4-H Fairgrounds, located on the edge of Marion.

TERMS — The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction and before cattle are removed. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE — All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association.

HEALTH — Health certificates will be issued by a representative from the office of the Indiana State Veterinarian. All cattle have been blood tested for Bang's Disease within 30 days of the date of this sale with the exception of females in this sale officially calfhood vaccinated and under-age. In these cases, vaccination certificates will be delivered to the buyer at the time of the sale.

REGISTRATION CERTIFICATE — A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

FOOTNOTES — Footnotes were furnished by the consignors. Announcements from the auction block will take precedence over printed matter in the catalog.

LIABILITY — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the sellers, accept any liability for injuries that may occur. All persons attend this sale at their own risk.

SALE HEADQUARTERS — The Holiday Inn.

LUNCH — Lunch will be available on the grounds.

AUCTIONEERS — Merlin Woodruff, Urbana, Ohio; H. W. Walker, 3906 East 71st Street, Indianapolis 20, Indiana; Vaughn Lipp, Ossian, Indiana.

SALE MANAGER — Bill Stunkel, The Shorthorn World, 16 South Locust Street, Aurora, Illinois.

BIDS — Those wishing to buy at this sale, who cannot attend, may send their bids to the sale manager or auctioneers.

Three of the first sons of Westdrums Wayfarer in the Bilmar herd, Grand Blanc, Michigan. Two sons sell in this sale.

TRINITY COMMANDER 40TH — Here is a good headed, heavy boned calf by Louada Commander, a one-third interest sold for \$5,000 to Tuscarora Farms of Neelyton, Pa. The dam of this bull is by Calrossie Hyperbole and a good one.

WHY USE SHORTHORN BULLS ?

John Catron, Camp Crook, South Dakota, turned a Shorthorn, a Polled Hereford, and an Angus bull with 120 cows. One hundred calves resulted. Catron did not guess — he weighed the calves.

THE BOX SCORE

Sire	No. Calves	Av. Weaning Weight	Total Pounds
Shorthorn	47	330 lbs.	15,510
Hereford	34	306 lbs.	10,404
Angus	24	313 lbs.	7,512

John Catron, just like you, Mr. Cattleman, was interested in production of total pounds of quality meat. That's why he now is convinced of the advantages and reliability of Shorthorns. You, too, can harvest this kind of a crop by using Shorthorns.

Augusta Maid 2d
Red, A. D. Miller

W M GAMBLER 5TH — A dark red son of the reserve champion bull of the 1961 Ohio State Sale. He is siring a grand set of calves in the McElroy herd in Ohio. A three-fourths sister was first-place junior heifer calf at the 1961 Ohio State Fair. A bull with a lot of thickness and short legs. A very good prospect.

ROYALIST BARON — This a good, red son of HHF Royalist out of the champion sale heifer at Centerville in 1959. She is a good producer. This calf is a little young but has lots of quality with bone, quarter and depth of flank.

A Time To Buy Females . . . And The Place, Too!

Current interest in the Shorthorn breed has never been better. The growing demand for Shorthorn bulls in commercial herds and the popularity of Shorthorn feeder cattle indicate a great future need for more Red, White and Roan breeding stock. Now is the time to set your herd right. Whether you need a bull, or females, this sale is filled with the right kind.

A Gateway To Opportunity . . .

The picture at left, taken at Hanson Heights' Farms, Connersville, Ind., is symbolic of the great opportunity awaiting those who raise quality Short-horns. The two females below are part of the A. J. Meyers' and Sons' herd at Rushville. Both of these firms are represented in this sale with strong consignments.

Hollis Hanson, right, receives a trophy from Alice Woods for showing this calf to the championship at the 1961 Kentucky National Futurity. The calf, HHF Royalist, was purchased at \$925 by Paul Baker and Family. Two sons are being consigned to this sale by the Bakers.

GUARDSMAN'S MISSIE 4TH — Was bred to Advocate Constructor Dec. 2, 1962. This mating should produce a top senior calf for the fairs in 1964. Advocate Constructor, a grandson of Bapton Constructor, is one of the top sires in Jay County as his first calves prove. Guardsman's Missie by Browndale Guardsman produced five full sisters in five years by King's Admiral. This cow was the second one and the first I have offered for sale as I have been reluctant to break up this group of five full sisters. I offer her only to help out on this first Mich-Oh-Ana sale. Has produced a calf every year since she was two. Although now nine, she looks like five and should have several good years ahead of her. Her mother is now fifteen and will calve in July. Calfhood vaccinated.

Shorthorns For Profit

- Shorthorns outgrossed all beef breeds in a summary of 31 feeder calf sales held in Virginia in 1961. The Shorthorn calves grossed \$130 . . . an advantage of \$5.85 a head over all blacks sold and \$7.00 a head over the whitefaces.
- Shorthorns topped the Kentucky Performance Tests for three consecutive years. Shorthorns lead in average daily gain, adjusted average daily gain, type score, and index value.

Shorthorns are the breed with the future. The demand for straightbred and crossbred Shorthorn feeder calves has greatly outreached existing supplies. Here is a profitable market for you.
